

Oki Eatz

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Best keto choices here are the Smashburger ordered bunless with no fries, or the Yakitori with rice removed and teriyaki sauce omitted/on the side. Most other dishes are rice-, noodle-, bread-, or dumpling-based, and the chicken cutlet items are breaded, so they are not safe for a 7g net-carb keto meal.
