

Pei Wei Asian Express

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Keto at Pei Wei is possible but requires ordering protein-and-vegetable entrées with no rice or noodles and sauce light or on the side. Avoid crispy chicken/tofu, egg rolls, dumplings, wontons, noodle/rice bowls, desserts, and sweet drinks because those carbs are not removable enough for a 12g net-carb meal target.

APPETIZERS
