

# Shake Shack Old Town

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

The best keto strategy at Shake Shack Old Town is to order beef burgers or flat-top dogs lettuce-wrapped or bunless, skipping ketchup and sweet sauces. Avoid fries, shakes, custard, lemonades, fried chicken items, and the fried 'Shroom/veggie-based items unless the fried component can be removed from a beef burger stack.

## BURGERS

|                                                                                                                      |               |
