

Sonic Drive-In

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Keto at Sonic is mostly bunless burgers, bunless hot dogs, and breakfast fillings ordered without the tortilla or toast. Avoid the fried chicken items, fries/tots, onion rings, mozzarella sticks, desserts, slushes, limeades, juice, and regular soft drinks; combos only work if you skip the fries/tots and choose an unsweetened drink.
