

Tropical Smoothie Cafe

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Tropical Smoothie Cafe is difficult for strict keto because smoothies, bowls, fruit, tortillas, flatbreads, rice, beans, and sweet toppings dominate the menu. The best approach is to order grilled-chicken, egg, turkey, bacon, sausage, and cheese items as bowls with no tortilla/flatbread/bread, and skip rice, beans, wontons, fruit, honey, and sugary drinks.
