

Another Broken Egg Cafe

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Another Broken Egg Cafe can work for keto if you build around eggs, omelets, bacon, ham, sausage, Benedicts without the muffin, and sandwiches without bread or potatoes. Avoid pancakes, waffles, French toast, biscuits, grits, potatoes, gumbo, jambalaya, beignets, toast, milk, and fried/breaded chicken items. For a 7g net-carb meal cap, always say no English muffin, biscuit, toast, potatoes, grits, fruit, tortillas, honey mustard, and sweet toppings.
