

Hardee's

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Hardee's can work for keto mainly by ordering charbroiled burgers without buns and skipping fries, Hash Rounds, biscuits, tortillas, and sugary drinks. Breakfast is possible if you turn biscuit sandwiches into bowls, but avoid all hand-breaded chicken, tenders, French toast, desserts, and standalone potato sides.

BREAKFAST BURRITOS

Homestyle Loaded Breakfast Burrito

5g net

"Homestyle Loaded Breakfast Burrito with no tortilla and no Hash Rounds, please --- just the eggs, sausage, bacon, ham, and cheddar in a bowl."
