

Jersey Mike's Subs

Every approved keto pick • net carbs as modified • say it exactly like the orange lines

Jersey Mike's is very workable for keto because nearly every cold sub or hot cheese steak can be ordered as a Sub in a Tub or bowl with no bread. Prioritize meat, cheese, bacon, oil, vinegar, mayo, ranch, lettuce, and peppers; avoid chips, cookies, brownies, soda, sweet drinks, and sugary sauces like hot honey.
